

Headwear

1010

22111

22141

Precept's line of headwear is designed to fit the various needs of healthcare personnel. Headwear is available in a variety of styles, including bouffant caps, surgical caps, and several types of hoods. Bouffant caps are available in 3 sizes (21", 24", and 27") and come in blue, white, green, or Precept's own designer print. Precept's surgical caps are designed for user comfort. Materials range from the absorbent Kaycel fabric to soft nonwovens. Hoods are available with an array of features and materials, to fit a variety of end-users.
