

## Scrubs

**Precept's** scrub suits are constructed from premium materials that make them durable and comfortable, resisting tear and damage while allowing for ease in movement. Scrub suits are available in sizes ranging from small to x-large and full cut. Sizes are clearly marked so you can choose the one that is right for you.

Since Precept's scrub suits are disposable, there are no worries about laundering or lost item charges. Matching warm-up jackets complement the scrub line, helping keep you warm and comfortable.

*So durable it's a shame they're disposable.*
